

Dear Fellow Dog Lovers,

What a crazy year it has been!! Holy moly we went through a LOT this year!!! And how do I deal with stress or tough times? I rescue another dog!!! According to my mother I've been doing it since I was a child. (At least I'm consistent) If you are diagnosed with something scary, rescue a dog! If you survive said scary diagnosis? Rescue a dog!!! Nothing makes my heart sing more than saving a life that others didn't want. I know many of you feel exactly the same.

Speaking of "you," I cannot fully express my gratitude for the way you've helped your pets, other pets, our Company, our Foundation, our rescues, and me. Without this I'd probably have to get a real job! So thank you, thank you, thank you!!!

And to celebrate all the loops and hoops we went through in 2023, and to get excited for 2024, here's a little song to honor some of the animals in our lives. Enjoy!!!
